Below the navigation bar is a banner for a recruitment campaign. The main content area features a profile for Judy Zimmer, an Executive Coach and Career Coach. To the right of the profile, a dropdown menu titled 'Visit more LinkedIn Products' is open, listing various services: Post a job, Advertise, Groups, ProFinder, Salary, Lookup, and Slideshare. # Request a Recommendation

You can ask your connections to write a recommendation of your work that you can display on your profile:

To request a recommendation from a member's profile page:

1. Navigate to the member's profile page.
2. Click the **More** icon in the top section of the profile, to the right of the picture.
3. Select **Request a recommendation**.
4. Fill out the **Relationship** and **Position at the time** fields of the recommendations pop-up window, and click **Next**.
5. You can change the text in the message field, and then click **Send**.

To request a recommendation from the Manage Recommendations page:

1. Navigate to the **Manage Recommendations** page.
2. Click the **Ask for recommendations** tab at the top of the page.
3. Under the **Ask your connections to recommend you** section, fill out the prompts to send the recommendation request.

The **Recommendations** section of your profile is only displayed once you give or receive a recommendation that isn't hidden. If you have existing recommendations displayed on your profile page, you can also click **Ask to be recommended** in the top right corner of that section.

**Note:** You can request a recommendation from up to three connections at once. There's no limit to the total number of recommendations you can request or receive.
