Adding or Changing the Background Photo on Your Profile

The background photo appears above the top section of your profile. Learn more if you recently [added a background photo and no longer see it](#). You can't edit your background photo from a mobile device, but you can make changes from desktop.

› [Background image gallery for Premium accounts](#)

∨ [Add a background photo](#)

1. Click the  Me icon at the top of your LinkedIn homepage.
2. Click [View profile](#).
3. Click [Update background photo](#) at the top of your profile and select an image from your computer to upload.
4. Click [Upload photo](#).
5. Click [Save](#).

› [Reposition, Delete or Change a background photo](#)
